

9 October 2017

Dear Parent(s)/Carer(s)

In preparation for their Spanish GCSE examinations, Year 10 students will be carrying out mock assessments in reading, writing, listening and speaking during the week commencing Monday 16 October 2017. All assessments will be based on Module 4 – leisure, free time, music, TV and trending topics. During this half term, the students have been preparing and memorising the work required to do well in these assessments.

The speaking exam will be taking place on Tuesday 17 October and your child will be allocated a time slot of approximately 5 minutes. The other assessments will take place during lessons the same week.

You can support your child by helping them practise their questions and answers and encouraging them to memorise the Module 4 vocabulary into Spanish.

They should aim to practise several times a week, little and often. Students will not be permitted to bring any support material into the exam, but they will have a few minutes at the start to make some notes.

Students will receive feedback and a point score overall, which will contribute to their point score for their first report. Re-sits will not be permitted, as we would like the students to experience GCSE conditions.

Please don't hesitate to contact me should you require any further information.

Many thanks for your support

Yours faithfully
