Accelerated Reader	Low impact for low cost, based on moderate evidence. +2 months	Bespoke reading programme. Students are tested at the start of the programme and are then set small comprehension tests through an online portal each time they complete a book.	This programme started at the beginning of the academic year. Over a 9 month period, Pupil Premium students in Year 7 made on average 11.5 months progress on their initial reading age. In Year 8, students made 11.4 months progress on their initial reading age.	£2000																								
Book bags	No Sutton Trust research data	Identified pupil premium students were provided with book bags to supplement reading at home.	The accelerated reader data for students who were issued book bags shows a positive picture. On average, Year 7 students made 11.5 months reading	£1000																								

			age progress over a 9 month period. Year 8 student made an average of 11.4 months reading age progress over a 9 month period.	
Attendance	Moderate impact for very high cost, based on extensive evidence. +4 months	Student welfare officer targets PUPIL PREMIUM students on first day of absence.	Pupil Premium gap for attendance narrowed during the course of the year from -2.39% to -1.3% by the end of the year. PA was 0%	£14,078
Free revision resources including calculators	No Sutton Trust research data	All students at KS3 to receive a free revision guide & workbook for English, Maths and Science. All pupil premium students to receive a significantly reduced calculator (recommended model available to purchase in school)	Contributes towards the improvement in Maths and Science outcomes	£1000
Trips and visits	Moderate impact for moderate cost, based on limited evidence. + 3 months	Outdoor activity centre, designed to boost confidence and team building skills. Places heavily subsidised for pupil premium students in year 7 Other subsidised trips include: whole school trip to the pantomime, field trip for science and geography, end of year bowling activity.	Raised aspirations and self-esteem for year 7 Pupil Premium students. This is difficult to quantify. 95% of pupil premium students attended the residential trip to Walesby.	£2000
Music Tuition	121 tuition: Moderate impact for high cost, based on extensive evidence. + 5 months	Tuition heavily subsidised for pupil premium students	All students play an instrument (guitar or p-bone) with no cost to them. This adds breadth and widens their cultural experiences.	£90
Homework study support for Key Stage 3	Secondary Homework: Moderate impact for very low or no cost, based on moderate evidence.	Compulsory study support provision for all students twice a week.	Homework scores are recorded for each subject at each Progress Check and we are then able to calculate an average per student. The homework score gap has narrowed from 0.18 at PC1 to 0.01 for Year 7 at PC3.	£11,000

	+ 5 months	Those with poorer homework scores are in a smaller study group for extra study support		
Sutton Scholars university programme	Mentoring: Low impact for moderate cost, based on moderate evidence. + 1 month	Aspirational events provided by university students from Nottingham University.		£700 for transport
Handwriting Intervention	No Sutton Trust research data	Handwriting intervention is offered as either one to one or small group intervention	There has been a visible improvement in the quality of the handwriting of children who have undertaken this intervention.	£1400
Challenge cards (most able)	No Sutton Trust research data	Most able students are provided with a challenge card which they are expected to complete over a course of a term. The expectation is that they push themselves out of their comfort zone to boost attainment	Four pupil premium students participated in this in total. Of the four participants, three were awarded a bronze award and one was awarded a silver award.	£500
Extra-curricular activities	After school programmes: Low impact for high cost, based on limited evidence.+ 2 Months Sports participation: Moderate impact for moderate cost based on Moderate evidence. +2 months	All students participate in two extra-curricular activities designed to develop wider skills e.g. teamwork and leadership as well as develop personal hobbies and interests.	All students have been given the opportunity to participate in a wide variety of activities and have been encouraged to opt for an activity which they would not necessarily do in their own time.	£3000
