

1 November 2016

Dear Parent(s)/Carer(s),

This is a reminder that your child's second Cross Country League meeting is on Saturday 19 November.

We hope that as many students who previously attended will come along to represent our school with a chance of winning medals. Individuals must compete in all three meetings in order to qualify for the awards, should they be successful at the competitions. Successful runners can also potentially qualify for the 2017 Nottinghamshire Schools Cross Country Championships, which will be held at Wollaton Park, Nottingham on Saturday 4th February.

The date of the remaining competition is Saturday 10 December 2016.

Both remaining meetings will be held at Berry Hill Park, Mansfield. NG18 4JR in the same area as the previous meeting, with the first race starting at 10.00am and \_\_\_\_\_ would again need to be transported to and from Berry Hill Park, meeting myself there for their event. I encourage participating students to discuss travelling to the events with other participants to minimise the requirement for parents/carers to transport students to/from every event.

Representing the school in any format is a huge honour and an enriching experience. I greatly appreciate your support in encouraging and transporting students to these events.

If you have any questions, please do not hesitate to contact me.

Yours faithfully

Mrs Kaye Singleton-Jones  
Lead Teacher of PE
