FREE SCHOOL

15 July 2016

Dear Parent(S)/Carer(s),

As part of the activities during the last week of term we will be running a session on Mehndi patterns and we will be offering students the opportunity to get Mehndi hand patterns done in school. The Mehndi patterns are made with henna which some people can have an allergy to and they can also take up to 2 weeks to fade.

Please could you sign and return the below reply slip to confirm that you are happy for your child to receive a Mehndi hand pattern and that to your knowledge they do not have an allergy to henna.

If we do not receive this reply slip we will presume that you do not give your consent and we will not allow your child to have a Mehndi hand pattern.

Yours faithfully,

B Inglis
